

# ARCHANGEL

## STEFANIA RIESLING 2015

Intense aromas of lemon, lime and apricot leap from the glass with delicate floral notes that are intertwined with a touch of flint. On the palate, lovely flavours of lemon, lime, grapefruit and mandarin combine with stonefruit and spice. A beautiful dry style wine with a lively, balanced acidity and long mineral finish.

*Peter Bartle – Winemaker*

## WINEMAKING NOTES

The fruit was hand harvested, on 2 April 2015 at 21.9 brix and was whole bunch pressed to tank. The juice was inoculated with a selected wine yeast and fermented in a stainless steel tank to retain the varietal and fruit characteristics. The fermentation was stopped to retain a touch of residual sugar.
